Commissioner of Patents and Trademarks

In view of the papers filed on Aug. 5, 2002 as Paper No. 5 (petition to add inventors), it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding the following inventors to the declaration: Kevin P. Gillespie, Thanh M. Le, Michael G. Vogt, and Randy S. Freid. The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
